1. What do you produce?

At first, we studied what Showa Kako produces.

They are listening carefully.

It is little difficult for me...

2. Let's look at office!

3rd floor of Office: We experimented chemical reaction.

The solution color is changed by baking soda.

It is fun!

Putting a metal plate in saline...

The light bulb glows!

My mother works here.

3. Let's look at factory!

Let's go to see my father is working!

My father is cool!

Fathers and mothers are working hard in hot weather.

Be kind to them at home!

4. The presentation of diploma from CEO.

5. Commemorative Photo

Taking group picture! Say Cheese!!
